REASONS FOR ALLOWANCE

Claims 1-3 have been allowed over the prior art.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or suggest at least the claim limitations of "after said processing step, applying a second portion of a solder containing compound to the second side of the plurality of members of the carrier frame; after applying the second portion of solder- containing compound placing a second packaged integrated circuit in contact with the plurality of members".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
